

Continuing Through Covid-19 with God:

LORD God, our Father, thank You for giving us the strength to endure this difficult time. Nothing we go through is wasted.

Right now, parts of our world are preparing to re-open. We do not know what that transition will look like, but You do.

So we ask that during this time You would:

- Guard our hearts and minds. Encourage anyone feeling anxious, afraid, or helpless.
- Continue to heal those who are sick and to protect those who are not.
- Protect and strengthen the brave people serving others on the front lines of this pandemic.
- Give our leaders wisdom as they navigate this hard time. Let Your hope and truth guide their actions.
- Unite Your Church, LORD. Increase our generosity, faith, and love for those around us.
- Restore communities for the glory of Your name, and rescue people from depression, addiction, and loneliness.
- Continue to transform us. Let the spiritual renewal we have experienced, strengthen our resolve to share Your hope.

We believe we will see Your goodness in our land because we know You are at work in our lives.

Calm our fears as we trust in You, and come and do what only You can do.

In the wonderful Name of our Saviour, Jesus Christ.

Amen.
